Principal's Message

Dear families and friends

Week 4 has been a very busy week for everyone at Hunter River Community School.

Farmer for a Day: What a wonderful day we all had on Thursday when we commenced our fundraising drive to support our farmers. It was great to see so many students dress as farmers and bring their favourite animal to school. Well done everyone!

We are totally amazed by the support shown by our learning community in donating money and non-perishable goods. Whilst we have not got a final total yet, we believe over \$800 has been raised, which is just incredible! Special mention to the Longbottom family who kindly donated \$500 and the Twaddell Family who donated over \$50. Many of our families donated over the requested gold coin.

Thank you to everyone who supported the day, every little bit can make the difference to someone who is struggling!

Helping out our neighbours: Our neighbours are important members of our learning community, and we are committed to working with them to establish quality partnerships. It has come to our attention that some vehicles that are

parking in the side streets, are using the grass area in front of the houses, to get their wheels off the road. It would be greatly appreciated if anyone parking in that area could keep their vehicle off the grassed area. Thank you for your cooperation in this matter, if you would like to discuss the situation in further detail, please do not hesitate to contact me.

P&C Meeting: Our Term 3 P&C meeting will be held next Wednesday evening, commencing at 6:30pm. All family, friends and interested community members are warmly invited to attend. Hope to see you there.

Student Volunteer Program: We are very happy to have strong networks with our partnering schools. In the upcoming weeks, students from Maitland Christian School will be visiting our school to work with **students in Creative Arts, Agriculture and Food Technology. This program aligns with MCS's Mission Week**, and we are excited to be involved with the project.

Illness: There are several nasty bugs that have significantly impacted on our school this week. Many staff, and some students, have been struck down with a nasty gastro bug. As a result of this, there has been a high percentage of casual staff in the school, and in some cases, classes have had to be combined. Whilst all staff on site are aware of individual student plans, there may have been occasions where incorrect lunch boxes etc. have been sent home. We apologise for any mix ups and thank everyone for their understanding. Hopefully most of our regular staff will be back on deck next week.

I hope everyone has a great week!

Regards— Tracey

Dear Families & Agencies

Next week on Wednesday 22 August 2018, our senior food technology students will be providing a 'HOT DOG' camp fundraiser instead of our normal canteen.

Please send orders back in on Monday as usual.

Thank you for your ongoing support for our students.
