Principal's Message

Dear families and friends

What a great way to end the week with some beautiful sunshine after the much needed rain!

Strictly Ballroom Performance: Last Friday a group of very excited young people headed off to the Civic Theatre to enjoy a performance of Strictly Ballroom. St Phillips College hosted the production and the professionalism of the whole show was outstanding. Our students loved the lights, costumes and music and were very fortunate to have their photo taken with cast members after the show. Great work everyone and thank you to Jackie for coordinating the excursion.

Congratulations: We would like to take this opportunity to congratulate Leanne Woods (RFF teacher) for her successful temporary appointment as Support Teacher Transition. Leanne will be replacing David, who is taking leave at the end of this term leading up to his retirement. Leanne has many years of diverse experiences and we are extremely fortunate to have someone of her calibre in the position. Well done Leanne!

Thank you: It has been such an honour to host the wonderful practicum students from Newcastle University. During their 4 weeks with us, they have not only learnt so much, but have become integral members of our staff and have made outstanding contributions to our programs. We would like to wish Grace, Andrew, Bianca, Ashlee and Breanne all the very best for their upcoming internship and the commencement of their teaching careers. We hope that we will see them in a professional capacity again in the near future. Thank you and all the very best!

Kiwanis's Club: It is always wonderful to have supportive community partnerships that support our students, school and programs. Kiwanis's are long term supporters of our school, and this week they attended our school to present the Kiwanis Student of the Month medals.

Congratulations to the following students on their outstanding achievements:

March: Isaac J & Nikkie

April: Jack B & Connah

May: Shaan & Catherine

Thank you again Kiwanis's for your continual support.

PBL: Our school PBL has continued to successfully provide our students with strategies and skills to navigate a diverse range of scenarios. The common language of Red and Green choices have been embedded into our school fabric and it is wonderful to see our students responding to the positive terms. Any visitors to our school may notice our new Leuca sticker on the office's front door, welcoming everyone to HRCS.

Many of our students have reached a 'paw' milestone this Semester and everyone should be extremely proud of their achievements. We would like to congratulate the following young people on their pawesome efforts.
